Gideon Rothschild, Esq.

Partner

Moses & Singer LLP.

(New York, NY)

Gideon Rothschild focuses his practice in the areas of domestic and international estate planning and asset protection, including the use of sophisticated estate planning techniques in the representation of high-net-worth individuals. Gideon is a nationally-recognized authority on the use of offshore trusts and estate planning strategies for wealth preservation and succession planning. His clients include professionals, real estate developers and owners, closely-held business owners and directors of publicly-held companies. His practice also includes estate administration and the representation of clients in taxpayer disputes at the federal, state and local levels.

Gideon distinguishes himself from many of his peers in that his estate planning recommendations are integrated with asset protection objectives. That is, by educating his clients on the non-tax benefits available with trusts and other vehicles and how they can be drafted in a flexible manner, his clients can achieve both tax savings and wealth preservation. Such benefits include protection from divorce, creditors or litigation exposure.

Clients describe Gideon as "*one of the top asset protection attorneys in the country*" and is regarded by peers as "*a leading authority on asset protection.*" He is listed as one of the "Top 100 New York Super Lawyers," the only Trusts and Estates lawyer who received the highest point totals in the New York Metro area. Since 2006, Gideon has been listed in *New York Super Lawyers*[®] and has been singled out by *Chambers USA* for his substantial experience in the field of Wealth Management.
